To Whom It May Concern,

I am writing to recommend RTF Construction Co, and specifically Mark Marietta. I had the opportunity to work closely with Mark as they successfully delivered a Planet Fitness in Gainesville, GA. Throughout the process Mark showed strong leadership and vast construction knowledge. Blake Wade, the project superintendent complemented Mark with his attention to detail and decisive decision making.

I have been very pleased with their professionalism in every facet of the build process. Their team delivers competitive bids, quality sub-contractors, thorough supervision and great communication. Black Duck Partners is proud to have RTF Construction Co as one of our development partners.

I highly recommend RTF Construction Co for your next build.

Sincerely,

Mason Goodwin
