Re: Letter of Recommendation

To Whom It May Concern,

I am writing to confirm the exceptional performance of Mr. Mark Marietta, President of RTF Construction Co., during his tenure as the General Contractor for our 'ground-up' commercial restaurant project Tasty China located in Marietta, Georgia. He consistently demonstrated a hands-on approach, ensuring that he was readily available to address concerns and provide necessary guidance. Mark's leadership was complemented by the outstanding work of his project superintendent, Rick Jones, whose attention to detail and problem-solving abilities significantly contributed to the project's success.

Mark's strong network of subcontractors also played a significant role in the project's smooth execution. His ability to collaborate effectively with a diverse range of professionals ensured a seamless workflow and timely completion. Moreover, his expertise in managing these subcontractors showcased his leadership skills and industry knowledge.

I appreciate Mark's dedication to the project and his proactive communication style, making the construction process efficient and problem-free. Based on my experience, I confidently recommend Mark Marietta and RTF Construction Co. for any construction project and am available for further discussion if needed.

Respectfully Submitted,
