RE: R.T.F. Construction Co., Snellville, GA

To Whom It May Concern:

I would like to offer my hearty recommendation for R.T.F. Construction. I have been pleased with the work they have done to date on our new Office/Education Building.

I like working with Mark Marietta and Richard Fahey and Building Superintendent, Mitch Little. If we had the money in place for our Phase II, a new Fellowship Hall, I would want them to do this.

Sincerely,

Robert H. Crumbley
